CHICAGO, WEDNESDAY, FEBRUARY 11, 1903.

CONCERNS TO BE AVOIDED.

The "turf investment company" operating under the style of E. J. Arnold & Co. has suspended payment of its stock certificates on demand, and all sorts of rumors are rife as to its financial condition. Its officials claim that it is solvent and that the privilege of withdrawing money invested on demand has only been suspended temporarily because of a pending investigation by the legislature of Missouri.

The affairs of this concern have probably been more carefully and conservatively managed than those of any other of the many operating on similar lines, but it and all of the so-called turf investment companies are bound to go to the wall in the long run because it is impossible to meet their extravagant promises and preposterous rates of guaranteed dividends for any great length of time. People who invest in such concerns deserve to lose their money. Those who have been or may be able to withdraw their investments may well thank their lucky stars. The others will be the inevitable victims left to mourn the demise of all get-rich-quick concerns. They have only their own folly, ignorance and inordinate cupidity to blame.

DAILY RACING FORM is unalterably opposed to such unhealthy parasites on racing and has no hesitation in declaring that it is impossible for them to carry out their professions. This is with the full knowledge that more than one concern has for a time seemed to transact a prosperous business. In the long run they will all break. The readers of this paper are warned to steer clear of them.

KINLOCH.

The St. Louis Republic of last Saturday said: "An application for a receiver to take charge of the property of the Kinloch Jockey Club, which was to have been sold today, was made to Judge John W. McElhinney of the Clayton Circuit Court yesterday by Joseph Sippy. The sale will not take place."

"Mr. Sippy also asked that J. C. Kiskaddon, who was appointed trustee to succeed T. C. Colonious, be enjoined from selling the property at auction."

"The Kinloch Jockey Club, Joseph D. Lucas, president; Philemon Chew, secretary and treasurer; Edward Butler, Jr., vice-president, and Mary A. Kennedy and J. C. Kiskaddon, trustees, were made defendants."

"In his petition, Sippy stated that Benjamin Quinn, L. Owen and Edmund F. Martin incorporated the Kinloch Jockey Club August 2, 1900. The capital stock was said to be \$50,000. After their organization they were succeeded by the officers named in the petition. Sixty shares of stock were sold to Edward and Louis Lem for \$100 a share, which Sippy afterward purchased. Not one cent was paid, the plaintiff alleges, on the remaining 440 shares, with the exception of \$5,000 contributed by Butler."

"Promissory notes amounting to \$23,500 were issued with Lucas and Chew as indorsers. To indemnify themselves, the plaintiff alleges, they executed a deed of trust on the property, which they are now seeking to foreclose. The property consists of 135 acres of land with the improvements. The notes were made payable to Mary A. Kennedy."

"The plaintiff alleges that the appointment of Kiskaddon as trustee was void, as the sheriff was the proper party to serve in the event of the inability or failure of Colonious to do so. It was also alleged that the advertisement was irregular. The advertisement was inserted in a Clayton paper. It is claimed that it was arranged so as not to reach all the subscribers."

"It was further requested in the petition that the court order the removal of Lucas and Chew as directors in the association; that the deed of trust be set aside and the note given to Mary A. Kennedy canceled."

"About the same time the petition was filed, the club's attorney appeared in court and had Sheriff

Hencken appointed trustee in the place of Kiskaddon. This delays the sale for twenty days, independent of whatever action may be taken on Mr. Sippy's petition."

GOSSIP OF THE TURF.

In accordance with the new rule recently passed by the stewards of the Jockey Club, to the effect that in future horses must race in the name and colors of one man, "or the assumed name of one man," the well known racing firm of J. R. & F. P. Keene has been dissolved, while the young racing partners, H. P. Whitney and H. B. Duryea, will hereafter operate under the name of the "Westbury Stable." The Messrs. Keene, father and son, will race separate stables. J. R. Keene will have thirty-six horses running in his name, while F. P. Keene will have thirty.

Foxhall Keene's division of the famous stable will consist of the five-year-old Olympian, the three-year-olds Sir Launcelot, Duster, Palmist, Whitechapel, Injunction, Stolen Moments, Dalesman, Hurst Park and Toboggan, and twenty two-year-olds, including a half-brother to Courroy II., a half-sister to Whitechapel, a half-sister to Tenny, a half-brother to Peep o' Day, a half-sister to Disguise II. and a half-sister to Cock Robin. Duster, Whitechapel, Dalesman and Hurst Park are in England.

James R. Keene's string includes Cardinal Wolsey, Surbiton, Claudie, Tom Shanley, Dazzling, Flying Prince, Forecast, Biturica, Big Ben, Gimcrack, Rigodon, Futurita and Ponca. Surbiton, Flying Prince and Dazzling will race on the British turf this year. His two-year-olds include a half brother to Tommy Atkins, Trumpet and Maximó Gomez, a half brother to First Mate, a half sister to Lambent, a half sister to Cap and Bells, a half sister to Dazzling and a half brother to The Regent.

The Westbury Stable has only two horses, Irish Lad and Whorler, as Aceful, now in England, is owned exclusively by Mr. Duryea. The new rule has been the cause of many other changes of a minor nature.

The stable of Miles Finlen & Son, which is quartered at Gravesend in charge of William Hueston, brings forcibly to mind the loss to the turf of that ardent sportsman, Marcus Daly, since most of the horses which carry the Finlen colors are Bitter Root bred animals. The majority were bought as two-year-olds at the sale of the Daly horses, and, needless to say, are bred in the purple. Several of them proved to be racehorses better than common, and one of them, Mamari, proved herself an exceptionally high-class filly. Early in the season she promised to be about the best of the season, but unfortunately went lame behind, so that she could not do herself justice. At that, she won the Fashion Stakes and the Criterion Stakes, beating such as Biturica and Martie Lewis and conceding five pounds to everything in the race. She has wintered well and filled out finely.—Daily America.

The stables of R. E. Curry, E. S. Gardner and H. N. McTeire arrived at Cumberland Park several days ago. The best in the Curry string are Louis Wagner and Kubelik. Of the Gardner lot Frappe and Vestry are said to be the best. In the McTeire lot are Charley Thompson and Carrie L., both useful horses.

Trainer Wishard took up the great horses of his string last Wednesday. This is the first time they have had a brush or saddle on them since the fall meeting at Westchester. Those that were taken up for active training were Wyeth, the Derby winner; Savable, the Futurity winner; High Chancellor, Runnels, South Trimble and Von Rouse. Only the six were taken up. Wishard will give these moderate exercise for the next twenty days before he commences to train them. These six horses are the cream of the Drake string outside of the promising two-year-olds.

Aurie B. began slowly and was carried wide at the first turn but Davission kept her in the good going on the outside all the way, came with a rush in the stretch run and finished fast. Wunderlich cut the corner at the turn for home, caught Marion Lynch tiring and outgamed her when it came to a hard drive. The latter showed the most early speed but failed to stay. Tammany Chief seemingly could not extend himself freely in the going. Leflare ran a good race. Bean showed early speed but quit badly.

Captain Gaston was outfought for the first half but caught the leader tiring in the stretch run, finished strong and outgamed Midnight Chimes at the end. The latter showed a good burst of early speed but tired when put to a hard drive. Miss Aubrey began slowly but finished fast under a hard drive. Cornwall was outrun all the way. Alene Abbott could not extend herself in the going. Bummer II. made up much ground and finished going fast. Dr. Gurnsey stumbled and fell before they had gone a quarter.

Scratched—37337 Clara David, 107. Overweights—Cornwall, 3 pounds; Bummer II., 3¹/₂; Prince Webb, 2¹/₂. Captain Gaston, show, 2 to 1. Midnight Chimes, show, evens. Miss Aubrey, show, evens. Cornwall, show, 3 to 5. Dr. Gurnsey, show, 4 to 5.

Winner—B. c. by Patton—Diana (trained by S. C. Hildreth). Went to post at 3:03. At post 1 minute. Start good. Won driving; second the same. Sheriff Bell was outrun in the early stages and Robbins waited until on the turn into the homestretch before making his run, then came wide and finished in the good going. Potheen hung on gamely when the pinch came and was under a drive all of the last furlong. Rough Rider ran a good race but had to take the worst going all the way and finished in the middle of the track. Honolulu showed the most early speed but tired and quit as bins could not keep Sheriff Bell straight and he jostled and interfered with Potheen and Honolulu, for which he was disqualified.

Scratched—37424 Nitrate, 107; (37324) Jim Clark, 104; 37392 Ben Chance, 100; 37355 Quisante, 95; (37392) Flintlock, 95; (37069) Barbara Frietchie, 95.

AMERICAN SPORTING MANUAL.

The American Sporting Manual of 1903 contains all the racing at large, revised and complete up to the end of 1902; five handicapping systems with directions for their practical application, a table showing how to compute bookmaking percentages, track records of all the recognized tracks of the country, the western and eastern scale of weights, tables showing the comparative speed of tracks, the racing statistics of 1902 giving amounts won by owners and horses and jockey record, a complete list of pugilistic contests of 1902 of any consequence, trotting and pacing records at all distances and a list of the new 2:15 trotters of 1902. Also a complete record of performances at all styles of billiards.

NOTES OF THE TURF.

Wesley Fields has named his two-year-old filly, by Victory—Mertie Reed, by Cavalier, Mable Reed, she is a sister to the much-talked-of Lem Reed, now in the stable of Gorman & Bauer, and is a good looker, with all the earmarks of stake class. She is the second foal of her noted dam, which mare has the distinction of having defeated in a race the wonderful Imp.

Cloister, a noted English steeplechaser, is dead. He was inbred to Touchstone and Venison and began his racing career as a four-year-old. In 1893 he won the Grand National, with 175 pounds up, covering the distance, four miles and 856 yards, in the remarkably fast time of 9 minutes 42 2-5 seconds, a record that has never been equaled.

The Earl of Carnarvon, a well-known patron of the English turf, has arrived in this country on a pleasure tour. He is the owner of Baldur, winner of the Ascot Stakes last year; Manhezin, winner of the Stewards' Cup at Goodwood, and Solicitor, which was a disappointing favorite in the Lincolnshire Handicap.

A chestnut filly, by Henry of Navarre—Wood-nymph, by The Ill-Used or Magnetizer, was foaled at the Nursery Stud of A. Belmont last week.

The name "Trompense" has been claimed by W. C. Scott for his promising two-year-old filly, by Deceiver—Miss Emily, by Spendthrift.

Memoriam, 6-1, won

JUST AS ADVERTISED.

Our track sharps knew what they were talking about when they stated that Memoriam was one of the highest tried fillies on the coast and could give even the unbeaten Precious Stone an argument. Not a newspaper or tipster in town, or elsewhere, picked this one to win. In fact they never heard of her before until her name appeared in the entries yesterday.

Winner—B. h. by Piccolo—Lowland Lass (trained by J. G. Brown).
Went to post at 2:07. At post 3 minutes. Start fair. Won driving; second the same. Hipponax raced in the first flight throughout and gamely wore the pacemakers down in the last quarter under a vigorous ride. Rud Hynicka made up ground and finished going fast. Jennie Hughes displayed the most early speed but failed to stay when challenged. Pupil ran as if short and can beat this kind when fit. Lone Fisherman raced better with an improved track and is about due over a longer distance. Inaugurator, nearly left, closed a gap.

Winner—Br. f. by Bassettlaw—Recollection (trained by W. B. Jennings).
Went to post at 2:37. At post 4 minutes. Start fair. Won in a canter; second easily. Memoriam, evidently a good filly, quickly raced into a long and winning lead and was easing up at the end. Lady Laurie, away poorly, closed a gap in the first quarter and finished going fast and ran in greatly improved form. Libbie Candid beat the barrier but did not last long and was a lucky third. Samar was poorly ridden, ran a bad race and can do much better.

Winner—Ch. m. by Silver Fox—Tonique (trained by M. Garrity).
Went to post at 3:02. At post 2 minutes. Start good. Won driving; second the same. Silver Fizz forced the pace throughout and under a skillful ride showed improved speed and stamina. Greyfeld ran a game race, was lucky and had clear sailing, finished fast but was swerving at the end. Phil Archibald was a lucky third, due to Bullman's vigorous finish. Expedient, interfered with at the first turn and badly handled, finished with his usual rush and may have been a trifle short. Filibuster went unexpectedly well. Imperious tired in the last quarter.

Winner—Br. h. by Sir Modred—Queen Bess, by Marden (trained by H. Stover).
Went to post at 3:30. At post 2 minutes. Start bad. Won handily; second easily. Kenilworth, lucky and skillfully ridden, waited on Beau Ormonde to the stretch where he went to the front and was apparently winning easily but was put to a mild drive at the end to beat Beau Ormonde. The latter, away running, forced a terrific pace to the stretch, where he suddenly fell away but came again like a flash right at the end and is in fine form at present. Gravina ran a game race and finished fast through the last quarter. Ethylene went well throughout. Princess Titania collided with Bragg at the start but quickly recovered, and waited on the pacemakers hard held to the stretch where she unexpectedly failed to come on and ran as if short or handicapped by the cuppy going.

Corrected weights—Bragg, 101.

Winner—B. c. by Margrave—Regalia (trained by J. T. Stewart).
Went to post at 3:56. At post 2 minutes. Start good. Won in a canter; second driving. Rag Tag, suddenly improved, indulged the pacemakers to the stretch where he went to the front hard held and was much the best. Gibraltar improved his position throughout and finished unexpectedly gamely. Parsifal closed up a big gap in the last half and was coming fast at the end. Saul of Tarsus is steadily improving and held on well throughout. Shellmount was lucky and had no mishaps, but ran only moderately well. Sharp Bird was probably short. Sainately, away poorly, made up considerable ground. E. M. Brattain displayed early speed but is a non-stayer.

Winner—Ch. g. by Flambeau—Experiment (trained by P. E. Smith).
Went to post at 4:25. At post 3 minutes. Start straggling. Won driving; second the same. Golden Light was lucky at the start, fell in behind pacemakers to the stretch, where he closed up fast after saving ground on the turn and was lucky to win. Meehanus was carried hopelessly wide on the stretch turn and failed in an effort to come through on the inside, then went around and just failed to get up. Little Margaret got away badly and displayed superior speed in taking an early lead, but was badly ridden and excessively used, and this combined with a very wide stretch turn beat her. Golden Cottage was prominent throughout and ran a good race. Stunts failed to stay.
Scratched—(37295) Ed Libburn, 97; 37380 Quartre, 90.

GOSSIP OF THE TURF.

From late developments it appears that the deal between P. J. Dwyer and W. K. Vanderbilt, which resulted in the announcement of the sale of the former's black six-year-old horse *Hammer*, by Hanover—Aurania, by Virgil, never came to a satisfactory conclusion, and the horse is still the property of the president of the Brooklyn Jockey Club. This was brought out by the arrival of the son of Hanover at Lexington last week. He was taken at once to Hamburg Place, where he will at present be located in the stud. Being also the owner of Handspring, now in the Melbourne Stud of Col. W. S. Barnes, Mr. Dwyer now has two great sons of Hanover in the stud in Kentucky.

Fair Rosalind, the three-year-old sister to the exiled Gold Heels, in J. I. Smith's string at the Gravesend track, bids fair to become a factor in all of the three-year-old filly stake events of this season. Like the majority of The Bard's get, Fair Rosalind was slow in developing as a two-year-old. Yet she showed Matt Allen so well that he had great hopes of her, gave her all the time she needed, and indulged her so that she should surely show the effects of it this year. She is an exceedingly powerful filly, with a crest on her like a colt, and has remained perfectly sound throughout her early preparation.

H. T. Oxnard's two royally-bred mares, Impatience, by Friar's Balsam—Larra D., by the Derby winner, Galopin, and Foot Print (sister to Gold Heels), by The Bard—Heel and Toe, by Glenelg, have arrived at Willamette Stud. The former is seven and the latter four years old. They will be bred to Hawswick, the latest importation made by the president of the Sugar Trust, who is fast forming a great stud of thoroughbred mares in Kentucky, and in a year or two more will be as much in the breeding game as W. C. Whitney, August Belmont and other millionaires New Yorkers.

Edward Frazer, of Lexington, Ky., has lost by death the broodmare, House Girl, by Himyar—The Sweeper. She was eleven years old and the dam of Buttons and Laundress and a half sister to S. C. Hildreth's Waring. She died after foaling a bay filly by Contestor.

The broodmare, Handmaid, by Fellowcraft—Radah, by Glenlyon, owned by J. R. & F. P. Keene, has foaled a chestnut filly by Vicer at the Castleton Stud, Lexington, Ky. This is the first colt by the noted Metropolitan Handicap winner, he having been retired to the stud only last spring.

Secretary Clark, of the Crescent City Jockey Club, announces an extra stake, to be run February 25, entries to which close February 12. The conditions of this stake are as follows:

To be run Wednesday, February 25, 1903, the New Orleans Railways Company Stake, for three-year-olds and upward; \$5 to accompany the nomination. \$45 additional to start, the New Orleans Railways Company to subscribe \$1,000, of which \$200 to the second, \$100 to the third, the fourth to save its stake; weights to be announced three days prior to the race; winners of a race after publication of weights to carry 5 pounds extra selling purses not included; acceptances to be made through the entry box the day preceding the race by 11 a. m.; those so named to be liable for starting fee. One mile.

Seintillant II., by Sheen—Saltire, owned by Edward Corrigan, has arrived at Lexington, Ky., to be placed in the stud at his farm near there. After making a short stud season the horse will be put in training and raced the coming season. In England he won the Czarewitch, and last summer he captured the Twentieth Century Handicap at Chicago.

New Orleans, February 2, 1903.

BY RILEY GRANNAN.

(SPECIAL DISPATCH.)

To the American Racing Public:

The Riley Grannan Company has been incorporated under the laws of the State of Louisiana, with a paid up capital of \$100,000, for the purpose of transacting a general turf information and commission business. I have been elected President and will direct the operations of the company in the interest of hundreds of friends who have already signified a desire to become patrons, and in the interest of the general racing public, whom I shall be glad to enroll individually on the books of the company as regular subscribers to the service, full particulars of which are set forth below.

I hope I need hardly refer to my long career as a bettor, bookmaker, handicapper and general form expert, or to my inside connections with prominent owners and trainers to secure patronage. Every angle of the game is an open book to me, and I have pledged myself to the gentlemen who are backing me with practically unlimited capital to give to patrons of the company the fruits of my experience. I have already organized a large staff of clockers to watch the preparations of the horses on the ground in the early morning hours, and may add that my force is the best organization of its kind which money and a knowledge of experts can bring together. I have, also, heard from at least two hundred owners and trainers within the past forty-eight hours who express willingness to put their best information within my reach. The handicapping I shall do myself.

I am quite satisfied that the results which the company will be able to accomplish through this system of selecting winners will bring brilliant results. In all my racing career I have never had a losing week when I had for a basis such an organization. My personal winnings on such information have been as high as \$200,000 in a single week. My losses on the turf at different periods may be attributed to a stubbornness which at times I evinced in sticking to handicapping entirely.

The racing experience I have had is probably unique in turf history, and I trust it is not immodest for me to say it is a valuable asset to a turf advisory bureau. That experience is now your property if you join us.

Every morning I shall with the assistance referred to above, select what I consider the best and surest bets of the day, and on these the Riley Grannan Company will play the money of its clients. On some days it may be impossible to arrive at a decision that there is a single good bet on the card.

At others there may be four or five. The company will not therefore bind itself to make any stipulated number of bets. Such bets will be made that seem judicious, and no others. The Riley Grannan Company will conduct business on the following basis:

Terms for information, \$5 per day and no charge unless we send you a starter. The smallest sum we will undertake to place for any client is \$10 on each selection. The smallest account we will accept is \$100. From every account we will deduct \$5 daily in advance for the information. At the end of each week a check will be mailed for any profits that accrue, less five per cent. of the net winnings which will cover our expenses in placing your money. Whether the account wins or losses, a statement will be mailed at the end of each week.

There is no limit to the amount which may be sent us for play.

A remittance of \$100 will insure a \$10 play on each selection. A remittance of \$200 will insure a \$20 play on each selection. A remittance of \$300 will insure a \$30 play on each selection. A remittance of \$400 will insure a \$40 play on each selection. A remittance of \$500 will insure a \$50 play on each selection, and so on. The reason a sum so much in excess of a single bet is required is that the company will at times bet your money on losers as well as winners. The best horse does not win every race and we may have an occasional bad streak. By having a sufficient amount of capital with the company, you will in all probability be protected against such a contingency. I have never personally made over seven straight losing bets in my life. Experiences differ in this respect, but it would be the height of folly for anybody to send in an account to be played for him without protecting it against a few successive losers.

I entertain the very greatest confidence in the ability of the company to make you a handsome winner. I have gathered about me the very best force of experts obtainable and have backing to the extent that must enable me to succeed. I give you the strongest assurance that any accounts you intrust to the Riley Grannan Company will be played on the best selections that money and brains can secure, and that you will get the squarest run for your money that has ever been given to anybody in racing. This being my original venture in this department of the game, you will readily understand what success or failure means to me. I have a reputation to sustain and if I did not think I could sustain it and improve upon it, I would not now be addressing you.

Here are a few additional particulars that have bearing on the plans of the Riley Grannan Company.

The charge for placing your money will be five per cent. of the net weekly profits. Selections will be mailed to subscribers for whom we place money before the races are run. Racing enthusiasts who are in a position to operate their own money can have the information wired to them every day at noon for \$10 per day. The rate is made higher for those who play their own money for the reason that it is necessary to keep the information as exclusive as possible, and to prevent piracy. All telegrams sent at cost of subscribers.

Make all remittances payable to the Riley Grannan Company. Remit money by express, money order, post office money order or certified check if possible. Register your mail when you send cash.

Address, The Riley Grannan Company, 619 Common Street, New Orleans, La.

All orders will be booked and acknowledgements sent in the order of their reception. Operations will be commenced on February 16 at New Orleans and continue for thirty racing days here, until March 31. After New Orleans operations will be conducted at Memphis, beginning March 28.

All accounts will be operated continuously until ordered withdrawn. Intending subscribers should forward money as early as possible to be in on opening day—February 16.

RILEY GRANNAN.
